INTRODUCING OUR SISTER CRUISE LINES

Voyages of Discovery and Hebridean Island Cruises

Swan Hellenic are delighted to introduce you to our two sister cruise companies each specialising in carefully planned, exceptional value discovery cruise programmes. As a loyal previous passenger on *Minerva*, we are delighted to extend our 5% loyalty saving to you on both Voyages of Discovery and Hebridean Island Cruises' programmes.

Unmissable places in unhurried comfort

The key to a Voyage of Discovery cruise is simplicity itself – see more, do more.

Small enough to reach out-of-the-way ports, yet large enough to make light work of crossing the great oceans, our ships *Discovery* and *Voyager* avoid the excesses of today's mega-liners. You travel in the company of expert guest speakers with none of the crowds, noisy nightclubs or casinos that can spoil a cruise holiday.

Great value is assured as all gratuities, service charges and port taxes are included in your fare.
