

I am pleased to enclose our News and Latest Offers, featuring a selection of exceptional value cruises for summer 2010, as well as details on our winter cruise programme when *Minerva* makes a welcome return to the Far East for Christmas, her first visit since 2004/5.

Inclusive value – no hidden extras

One of the unique advantages of travelling with Swan Hellenic is that you can be assured of total peace of mind when it comes to value for money – there are no hidden extras. A tailor-made programme of inclusive shore excursions, meticulously planned to bring out the best of each destination, represents an equivalent value of up to £500 per person on a typical cruise. In addition, an integrated programme of talks by our hand-picked, eminent Guest Speakers, all gratuities to staff on board and ashore, entrance fees to places of interest and all meals, gala dinners, morning coffee and afternoon tea on board are all included in your cruise fare.
