For those who know **Swan Hellenic**, a cruise aboard *Minerva* is the ultimate in well-planned and meticulously executed discovery cruising. For those who have not yet sampled this quintessentially British cruise line, now is the time to do so by taking advantage of these exceptionally low fares. With more than 50 years' experience **Swan Hellenic** has perfected the art of small ship discovery cruising to a point where every cruise delights, surprises and satisfies curious minds - and where you can be assured of travelling in comfort and style, backed up by high standards of service from friendly staff.

Minerva is a small ship, offering a truly unique cruising experience carrying just 350 passengers, she combines the benefits of a small ship with the comforts of a country house style hotel, a combination that has proved to be so popular with her guests. She has an excellent selection of public rooms, and a vast well stocked library. The aft sun deck hosts the swimming pool and is an ideal place for relaxing, whilst the extensive teak promenade deck is reminiscent of the golden age of cruising.

Minerva has a choice of two restaurants and with no seating plans you are free to dine when, where and with whom you choose.
