

SWAN HELLENIC PRESS RELEASE 30th September 2021

## Swan Hellenic confirms Antarctica cultural expedition cruises

Nicosia, Cyprus: Today, Thursday the 30th of September 2021,

Cultural expedition cruise leader Swan Hellenic confirmed that its inaugural cruises exploring Antarctica will all be sailing as planned following the Argentinian Government's recent announcement that the country will reopen from 20th October. As a result, Swan Hellenic will be able to operate from Ushuaia, the home port chosen for the maiden season Antarctic cruises of its purpose-designed new ice-class flagship SH Minerva.

Recognising that guests may have postponed booking while awaiting this certainty and that the confirmation has arrived too late for them to take advantage of its Cruise Like a Swan return celebration, Swan Hellenic has extended it for a further month. So now all guests have until 31st October to benefit from savings of 20% off its brochure prices, a gift of \$300 on-board spending per person, no supplement for single stateroom occupancy on selected cruises and a deposit of just 15% when booking. Moreover, guests can book with confidence, knowing their all-inclusive cruise will be protected by Swan Hellenic's simplified no-quibble cancellation policy.

Swan Hellenic CEO Andrea Zito commented:

“We’re delighted we can embark on our inaugural season as planned and happy to spread the joy by extending our Cruise Like a Swan celebration. We can’t wait to welcome you aboard to see what others don’t, finally experiencing the elegant Scandi-design interiors with open views, the gourmet cuisine, expert lectures and insightful expeditions to some of the most awe-inspiring places on earth that we have worked so hard to create.”

## About Swan Hellenic

Swan Hellenic was relaunched in July 2020 to proudly continue the spirit of cultural expedition cruising the company pioneered in the 1950s. Building on its British roots, the new company has a global cultural cruising outlook dedicated to providing guests with the opportunity to 'see what others don't'.

Two new 5-star polar PC 5 ice-class expedition cruise ships arriving in November 2021 and April 2022 will each accommodate 152 guests in 76 spacious staterooms and suites, the majority with large balconies. A larger PC 6 ice-class vessel accommodating 192 guests in 96 staterooms and suites in the same distinctive comfort and style as its sister ships will be arriving year-end 2022. All three new ships are being built in full compliance with SOLAS Safe Return to Port requirements. Dedicated to guests with a passion for adventure and cultural exploration, the company's meticulously planned itineraries explore the wild landscapes, wildlife, peoples and unique cultures of the world's less travelled regions.

Its ships feature elegant Scandi-design interiors, extensive outdoor spaces and dedicated expedition facilities. The crew includes an expedition team comprising expert guides, speakers and lecturers, and numbering 120 and 140 respectively almost equals the number of guests, reflecting the high levels of attentive personal service provided.

Headquartered in Cyprus with offices in London, Dusseldorf and Monaco, together with a branch office in Fort Lauderdale serving the North America market, Kong (serving mainland China, Taiwan and South-East Asia), as well as partnerships serving India, Japan and Australia-New Zealand, Scandinavia and Iceland, Swan Hellenic supports the travel trade with specialist local partners to provide customers with expert personal service worldwide.
